**ASC2018 Schedule**  
**September 5 – 7, 2018**                      **Tehran, Iran**

<b>Wed, 8:00-10:00, Hall 3</b>	<b>Oral Presentations 2: Psychotherapy</b>	
	<b>Chairs: Reza Shirali, Mohammad Esmail Alipoor, Mandana Sadeghi , Nastaran Rafiei</b>	
	The effectiveness of schema therapy on defensive mechanisms, mature defensive style, immature style and neurotistic style in opium addicts	Hasan Shabani
	Effectiveness of solution-focused brief therapy (sfbt) on depression and perceived stress substance abusers under the methadone maintenance therapy (mmt)	Samaneh Mohamadpour
	The effect of peer education on the reduction of tobacco dependence in tehran university of medical sciences students	Soraya Nejati
	The role of psychological capitals and academic motivation in academic vitality and decisional procrastination in adolescents who have recovered parents	Kazem Khazan
	The effectiveness of group counseling training based on admission and commitment on the addicted person 's skill of life and mental health in the addiction center of shahrekord	Pirmoradian Razia
	Motivational enhancement group therapy for cannabis use disorder co-morbidity with borderline personality disorder	Saeed Momtazi
	Investigate the retention in treatment of residents of the therapeutic community (tc) centers based on circumstances ,motivation and readiness.	Hassan Asadi
	Effectiveness of acceptance and commitment therapy for couples on marital satisfaction and self-differentiation among substance dependent males and their spouses	Amir Ghanbari
	The effectiveness of group therapy based on acceptance and commitment on social adjustment and social phobia among people with history of substance abuse treated with methadone	Behzad Samadi
	Comparison of the effectiveness of compassion-based therapy, positive therapy and matrix therapy on emotional schemes and impulsivity in methamphetamine consumers	Arefeh Erfan
	The effect of life skills training on controlling the aggression of drug addicts treated	Elahe Moshtaghi
	A report of drug free workplace program in dr. Masih daneshvari hospital	Hooman Sharifi
	The effectiveness of cognitive emotion regulation training on prevention of the relapse and quality of life of addicted prisoners in central tehran prison	Meysam Shiraliyan
	Investigating effective family interaction patterns on relapse of addiction treatment and providing interventional strategies	Azam Pilevari
	Effectiveness of hiv/std group based skill building intervention for men in community drug treatment	Arman Latifi
	The purpose of this study is effectiveness of couples therapy based on the health reality based on enhancing the satisfaction and quality of life of addicted couples addicted	Hossein Shahmohammadi
	The effectiveness of stress management on mental health of consumers of ahwaz addiction treatment centers	Ameneh Aalivand
<b>Wed, 8:00-10:00, Hall 4</b>	<b>Oral Presentations 3: Addiction Biology &amp; Neuroscience</b>	
	<b>Chairs: Mehran Zarghami, Ali Shahbazi, Tara Rezapour, Bita Mirzaee</b>	
	The effects of melatonin supplementation on mental health, metabolic and genetic profiles in patients under methadone maintenance treatment, a randomized clinical trial	Amir Ghaderi
	Hippocampal mir-129 and mir-149 are involve in scopolamine induced memory impairment	Mehdi Eivani
	Methamphetamin exposure enhanced the plasma levels of endothelial-derived microparticles	Azadeh Nazari

## ASC2018 Schedule September 5 – 7, 2018      Tehran, Iran

	Cb1 receptor modulation attenuated reinstatement of morphine-induced cpp through reducing the nac c-fos and pcreb and changing its neurons firing rate; a behavioral, molecular and electrophysiological study	Hossein Khaleghzadeh Ahangar
	Effect of intra-central amygdala silver nanoparticles on expression of naloxone- induced withdrawal behavioral signs	Mahnaz Rahimpour
	Applying virtual reality in substance use disorder: introducing a novel approach	S Bentolhoda Mousavi
	Pharmacological evidences for lithium neuroprotective effects against methamphetamine-induced neurodegeneration via creb-bdnf and akt-1/gsk3 signaling pathway	Majid Motaghinejad
	In silico studies of delta type opioid receptor at cys27phe missense variant with 36 fda-approved drugs	Alireza Sharafshah
	A different olfactory perception in heroin addicts	Seyed Amir Hossein Batouli
	Brain imaging finding in addicted brain	Niloufar Tabandeh
	How does addiction affect male infertility?	Zohreh Nazmara
	Genome-editing applications of crispr-cas9 to decrease sensitivity to methamphetamine; a pilot study for genetic vaccine of addiction	Arvin Haghightafard
	Comparative investigation on the inhibition and cognitive flexibility in the substance use disorder and obsessive-compulsive disorder	Mehdi Madanifard
	The effects of orexin-2 receptor antagonist into the ventral tegmental area on forced swim stress-induced reinstatement of morphine in rats	Ronak Azizbeigi
	Comparing the effect of transcranial direct current stimulation (tdcs) and cognitive behavioral therapy (cbt) on cigarette craving, mood and smoking dependence	Mohamad Bayani
	Effect of curcumin on withdrawal syndrome and inflammatory cytokines in morphine-addicted male rats	Mohammad Abbas Sheykholeslami
	How top-down regulation in fronto-amygdalar network changes over time during drug cue-exposure: an fmri study among abstinent heroin dependents	Mehran Zarebidoki
	Temporal dynamics of the neural response to drug cues among methamphetamine users	Arshiya Sangchooli
<b>Wed, 8:00-10:00, Hall 5</b>	<b>Oral Presentations 4: Addiction Medicine</b>	
	<b>Chairs: Dadmehr Farhadi, Venous Vatankhah, Jafar Mirzaee, Mohammadali Shahri</b>	
	Predicting Addiction Severity Based On Quality of Life in Opiates Dependent Patients	Omid Massah
	Ptsd & addiction	Jafar Mirzaee
	Impact assessment of stable methadone and buprenorphine maintenance treatment on sleep quality and alertness in opiate-dependent subjects. A pilot exploratory report	Saman Sarram
	Mental health status of drug addicts in drop in center of yazd city in 2017	Mohammadhadi Farahzadi
	Examination of the effects of an intervention aiming to link patients receiving addiction treatment with health care: the linkage clinical trial.	Seyed Ehsan Asadi
	Prevalence of psychological disorders among children of substance abusers.	Mohamad Ali Naji Nia
	Evaluating the effectiveness and outcomes of opium tincture in patients referring to "bazgasht sabz clinic" based on dst	Aireza Nazem Bafghi
	The substance use disorder and suicide attempt in chronic pulmonary patients hospitalized in massih daneshvari hospital in 2017-2018	Mitra Safa

## ASC2018 Schedule September 5 – 7, 2018 Tehran, Iran

	Comparison of defense mechanisms of parents of patients by substance induced psychotic with parents of mental health people	Siamak Rostamian
	Applying the implicit attentional bias assessment model in the field of addiction: development of instrument for methamphetamine craving using the dichotic competition method	Mehran Mokarrami
	A persian medicine compound (hab-o-shefa) for maintenance treatment of opioid dependence: is it a new drug for relapse prevention? A randomized double-blind placebo-controlled clinical trial	Abdolali Moosavizadeh
	Evaluating the efficacy of transcranial direct-current stimulation on craving reduction in opium dependents	Mobina Sohrabi
	An update on the pharmacology and toxicology of synthetic cannabinoids	Kambiz Soltaninejad
	Gabapentin or pregabalin, which one is superior in reducing opioid withdrawal symptoms?	Ghلامreza Kheirabadi
	Gemfibrozil effectiveness on nicotine dependency, smoking cessation and its symptom among smokers: a clinical trial study	Fatemeh Sadt Ghoreishi
	Investigating the mediating role of marital satisfaction in the relationship between emotion regulation, lifestyle and sexual function in male substance abusers	Hojjat Daniali
	Cognitive enhancing effects of hypericum perforatum extract on methadone induced passive avoidance learning deficit in morphine dependent male wistar rats	Maliheh Fallah
<b>Wed, 8:00-10:00, Hall 6</b>	<b>Oral Presentations 5: Alcohol, Nicotine &amp; Technology Dependency</b>	
	<b>Chairs: Khatereh Toofani, Gholamreza Heidari, Schwann Shariatirad, Hengameh Tahmasebi</b>	
	Prediction of online games addiction based on family function and coping with stress strategies	Simin Bashardoust
	Investigating the relationship between smartphone addiction and loneliness and quality of marital relationship and couple's intimacy among employed women in shabestar	Shadi Ebrahimzadehkhameh
	The relationship between social identity with cigarette dependence	Aysoneh Pordan
	Comparison of original and revised reinforcement sensitivity theory in daily and non-daily smokers	Morad Rasouli Azad
	Associations between the risk of social media addiction and smoking with general health among students in isfahan university of medical sciences (2018)	Asiyeh Pirzadeh
	A survey on the viewpoints of women in the countryside areas of sanandaj about smoking and its dangers, 2018	Mahnaz Sayyadi
	The relationship between behavioral brain systems and bullying with internet games dependency	Shaghayegh Sshahriary
	Addiction to computer games in students	Nasrin Abdoli
	The prevalence of alcohol consumption among iranian youth: a systematic review and meta-analysis	Maryam Chegeni
	The role of personality traits and emotional intelligence in internet addiction of university students	Gholamali Nikpour
	Predicting internet addiction in adolescents based on depression and perceived social support	Sadeq Fallahtafti
	The effects of several transcranial direct current stimulation and bupropion in treatment of nicotine addiction; a randomized double blind controlled trial.	Shahram Ghorbani Behnam
	A survey on awareness and attitudes of the residents of sanandaj city regarding alcohol consumption, 2018	Ahmad Vahabi
	Psychometric properties of the persian version of the canadian problem gambling index (cpgi)	Banafsheh Mohajerin
	The motivation of youth addicted to the online games: a qualitative study	Maryam Sadat Shahshahani
	Relationship between autistic-like traits and internet addiction in students medical sciences	Abdollah Ghasempour

# ASC2018 Schedule

## September 5 – 7, 2018      Tehran, Iran

	The role of attachment style and perfectionism in social media addiction (research in: tehran's elmi-karbordi students)	Bahareh Badri
	Listening to music: aural pleasure or addiction to auditory stimulation?	Leila Nategh
	Herbal cigarettes with the origin of boswellia carterii (insensol acetate), peganum harmala, stevia plant, nsara-amber, elaeagnus angustifolia, olive leaf and grape leaves with nano filter for use in addiction withdrawal	Masoomeh Mohamadpour
<b>Wed, 8:00-10:00, Hall 7</b>	<b>Oral Presentations 6: Behavioral Addiction</b>	
	<b>Chairs: Farbod Fadai, Saeed Imani, Mohammad Salehi, Ali Hosseini</b>	
	Single-neuron activity in the nucleus accumbens on the extinction and reinstatement morphine-induced conditioned place preference: the key role of the nmda and ampa receptors in the reward- associated	Ali Siahposht Khachaki
	Determination of effect of dst recovery method and opium tincture on the changing of hazard perception in the meth amphetamine addicted drivers.	Masoud Haji Rasouli
	Role of manipulations in unreasonable conduct of consumers	Olha Yevtushevskaya
	Predicting marital status based on self-discrepancy and emotional distress tolerance in stimulant substance addicts	Abbas Shahnazy
	Addiction to love and hypersexual desire based on metacognitive beliefs	Varasteh Navidi Tahereh
	An fmri stroop task study in chronic methamphetamine users	Nooshin Ghavidel
	Addiction to love and sensation seeking on marital commitment	Rasooly Marya
	Content analysis of "mah-e asal" based on addiction representation	Saeed Imani
	Sex addiction and related behaviors in a sample of peoples who use drug: a cross-sectional study	Masoudeh Babakhanian
	Examine and compare the role of sleep pattern, body type and gender schema on drug addiction probability (a longitudinal study 2014-2018)	Morteza Malmir
	Study of the relationship between sexual excitement and mental well-being among people with sex addiction	Hamidreza Hendi
	The effectiveness of mindfulness-based treatment on addiction relapse prevention: a systematic review and meta-analysis	Mojtaba Rajabpour
	Shopping addiction: a review	Zahra Amini
	Overcoming food addiction using the fact	Masoud Moghaddaszadeh Bazzaz
	Therapeutic effects of cannabidiol on methamphetamine-induced impairment of recognition memory in addicted rats	Yasaman Razavi
	New titles related to addiction in dsm-5	Farbod Fadai
	Effectiveness of (transcranial direct current stimulation) tdc sessions on food craving	Sara Akbari
<b>Wed, 10:00-10:30, Lobby</b>	<b>Tea and Cookies Break</b>	
<b>Wed, 10:30-12:30, Hall 1</b>	<b>Opening Ceremony</b>	
<b>Wed, 12:30-13:30, Lobby</b>	<b>Pray and Lunch Break</b>	

# ASC2018 Schedule

## September 5 – 7, 2018      Tehran, Iran

<b>Wed, 13:30-15:00, Hall 1</b>	<b>Plenary Talks 1-3</b>	
	Risk Factors for, and Consequences of, Adolescent Substance Use	Hugh Garavan
	An Overview to Drug Demand Reduction in Iran: Where we are now and the road ahead	Hamid Sarami
	Drug Policy: Yet Another Narration	Mohammad Emran Razzaghi
<b>Wed, 15:00-15:30, Lobby</b>	<b>Tea and Cookies Break</b>	
<b>Wed, 15:30-17:00, Hall 1</b>	<b>Panel: Harm Reduction; A Critical Element of Our Move Towards Ending AIDS</b>	
	<b>Chairs: Rangaiyan Gurumurthy, Mohammad Mehdi Gouya, Fardad Doroudi, Ahmad Hajebi, Minoo Mohraz, Katayoun Tayeri</b>	
	Harm reduction and combination prevention in MENA	Rangaiyan Gurumurthy
	Harm reduction approaches in the Ministry of Health	Ahmad Hajebi
	Integration of harm reduction in health system	Mohammad Mehdi Gouya
	Harm Reduction and drug Treatment; an Iranian experience	Azarakhsh Mokri
	Harm reduction; a main strategy in HIV National Strategic Plan	Parvin Kazerouni
	Expansion of ART services in harm reduction centers	Minoo Mohraz
	Discussion	
<b>Wed, 15:30-17:00, Hall 2</b>	<b>Panel: Addiction in Youth Population</b>	
	<b>Chairs: Maryam Chegani, Malahat Khalili, Ghazal Mousavian, Fatemeh Tavakol</b>	
	Early injection among people who inject drugs (PWID): A nationwide bio-behavioral surveillance survey 2013	Fatemeh Tavakoli
	Prevalence of Substance abuse in homeless youth: A case study in Kerman City (2017-2018)	Ghazal Mousavian
	Prevalence of risky sexual behavior among Iranian youth: a systematic review and meta-analysis	Malahat Khalili
	The prevalence of alcohol consumption among Iranian youth: A systematic review and meta-analysis	Maryam Chegani
	Discussion	
<b>Wed, 15:30-17:00, Hall 3</b>	<b>Panel: Pathogenesis in Addiction Reduction in Iran; A Longitudinal Review</b>	
	<b>Chairs: Emran Mohammad Razzaghi, Azarakhsh Mokri, Saied Madani, Mehrdad Ehterami</b>	
	Pathogenesis in policy making and planning in Iran	Emran Mohammad Razzaghi
	Pathogenesis in doctrines and theories use in addiction reduction in Iran	Azarakhsh Mokri
	Pathogenesis in sociocultural aspects in addiction reduction in Iran	Hassan Rafyie
	Pathogenesis in human resource, evidence production, and support system in addiction reduction in Iran	Parviz Afshar
	Discussion	
<b>Wed, 15:30-17:00, Hall 4</b>	<b>Panel: Prevention and Treatment of Drug Addiction by Exercise and Environmental Enrichment, and Pharmacological Interventions</b>	
	<b>Chairs: Ali Rashidy-Pour, Hossien Miladi-Gorji, Adel Kashefi, Shahram Zarrabian, Ali Ahmadalipour</b>	
	Exercise and Drug Rehabilitation	Ali Rashidy-Pour
	Environmental Enrichment and Drug Rehabilitation	Hossien Miladi-Gorji

## ASC2018 Schedule September 5 – 7, 2018 Tehran, Iran

	Effects of Cannabidiol on Methylphenidate-Induced Conditioned Place Preference During Extinction and Reinstatement in the Marmoset	Adel Kashefi
	Role of Orexin in Addiction: Hurdles and Hopes for Treatment	Shahram Zarrabian
	The Endocannabinoid System in Addiction: A New Target for Drug Development	Ali Ahmadalipour
	Discussion	
<b>Wed, 15:30-17:00, Hall 5</b>	<b>Panel: Smoking Cessation with Drug Abuse Treatment A New Approach</b>	
	<b>Chairs: Mojtaba Nozari, Majid Norozi, Mohsen Roshanpajouh, Gholamreza Heydari, Homan Narenjiha</b>	
	International experiences	Homan Narenjiha
	Iran experience	Gholamreza Heydari
	Establishment challenges	Mohsen Roshanpajouh
	Is it effective and useful or not?	Majid Norozi
	Is it effective and useful or not?	Mojtaba Nozari
	Discussion	
<b>Wed, 15:30-17:00, Hall 6</b>	<b>Panel: New Pre-clinical Approaches for the Treatment of Addiction</b>	
	<b>Chairs: Esmail Riahi, Hossein Khaleghzadeh Ahangar, Reza Arezoomandan, Ali Siahposht Khachaki</b>	
	The key role of the NMDA and AMPA receptors in the morphine reward- associated behaviors	Ali Siahposht-Khachaki
	Glial cell inhibitors as a therapeutic target for treatment of drug abuse disorders	Reza Arezoomandan
	intra-accumbal CB1 agonist/antagonist reduced c-fos and pCREB in the NAc and VTA in the reinstatement of morphine-induced CPP	Hossein Khaleghzadeh Ahangar
	Preclinical evidence on the applicability of deep brain stimulation in the treatment of addiction	Esmail Riahi
	Discussion	
<b>Wed, 15:30-17:00, Hall 7</b>	<b>Extended Talk: Phenotyping and Treating Decision-Making Deficits in the Addiction Clinic</b>	Antonio Verdejo-Garcia
<b>Wed, 15:30-17:00, Poster Halls</b>	<b>Poster Presentations</b>	
<b>Wed, 17:00-18:30, Hall 1</b>	<b>Skype Talks</b>	
	Novel/Promising Behavioral Treatments for Substance Use Disorders	Richard Rawson
	Facing Addiction: A Summary of the 2016 US Surgeon General's Report on Best Evidence	Thomas McLellan
<b>Wed, 17:00-18:30, Hall 2</b>	<b>Panel: Cognitive Neuroscience of Addictive Behavior</b>	
	<b>Chairs: Peyman Hassani-Abharian, Abbas Beigi, Sina Shafizade, Zahra Sadat Hoseini, Mania Asgharpoor, Mohammad Javad Zahmatkeh</b>	
	Cognitive neuroscience of different types of addictive behaviors	Peyman Hassani-Abharian
	Cognitive neuroscience of internet addiction	Abbas Beigi
	Cognitive neuroscience of Sex addiction	Sina Shafizade
	Cognitive neuroscience of game addiction	Zahra Sadat Hoseini
	Cognitive neuroscience of over eating	Mania Asgharpoor
	Cognitive neuroscience of Nomophobia	Mohammad Javad Zahmatkeh

## ASC2018 Schedule September 5 – 7, 2018 Tehran, Iran

	Discussion	
<b>Wed, 17:00-18:30, Hall 3</b>	<b>Panel: HIV/AIDS Diagnosis, Care &amp; Treatment Scale Up; Improving Towards Ending AIDS</b>	
	<b>Chairs: Rangaiyan Gurumurthy, Mohammad Mehdi Gouya, Fardad Doroudi, Ahmad Hajebi, Minoo Mohraz, Katayoun Tayeri</b>	
	HIV prevention response in MENA	Rangaiyan Gurumurthy
	Overview of HIV/AIDS care and treatment in I.R.Iran	Mohammad Mehdi Gouya
	Differentiated care in HIV service delivery	Fardad Doroudi
	Importance of harm reduction program in HIV case finding	Ahmad Hajebi
	AIDS Physicians' Network in I.R.Iran	Minoo Mohraz
	Role of Dolutegravir in Differentiated care for drug user PLWH	Katayoun Tayeri
	Discussion	
<b>Wed, 17:00-18:30, Hall 4</b>	<b>Oral Presentations 7: Epidemiology and Sociocultural Aspects of Addiction</b>	
	<b>Chairs: Amir Hossein Jalali, Hamed Bahari, Hasan Asadbeigi, Vajiheh Atashi</b>	
	Study of the cause-specific mortality of substance abuse-related deaths in kermanshah province 2010–2015	Alireza Alikhani
	Social factors affecting addiction case study: zahedan iran	Sarvenaz Mirzakhani
	The effectiveness of healthy lifestyle program education on improving the quality of life of workers who use narcotic and psychotropic drugs	Ali Mohammadi
